The Honorable Nancy Pelosi Speaker of the House U.S. House of Representatives Washington, DC 20515

The Honorable Kevin McCarthy Minority Leader U.S. House of Representatives Washington, DC 20510 The Honorable Mitch McConnell Majority Leader U.S. Senate Washington, DC 20510

The Honorable Charles E. Schumer Minority Leader U.S. Senate Washington, DC 20510

Dear Speaker Pelosi, Leader McCarthy, Leader McConnell, and Leader Schumer:

We write as the undersigned elected leaders in Maryland's 6<sup>th</sup> Congressional District to urge you to provide desperately needed funding for local governments, regardless of population size, in the next emergency coronavirus package.

Our local governments have faced enormous costs while responding to the COVID-19 pandemic, including rapid activation and expansion of emergency services, transitioning to telework to ensure continuity of municipal services, providing overtime and hazard compensation for first responders, furnishing personal protective equipment, and more. Without stabilization funding, these expenses will prevent local governments from continuing to offer essential services for residents

In addition to incurring the significant expenses required to combat COVID-19, municipalities and counties are experiencing a precipitous decline in revenue. Stay-at-home orders and social distancing have led to decreases in property taxes, local income taxes, parking fees, hotel occupancy fees, and other revenue sources. State governments are not in a position to help, as many are facing worse revenue shortfalls and increased expenses. In Maryland alone, Governor Hogan is anticipating at least a \$2.8 billion shortfall due to the COVID-19 pandemic. Only the

federal government has the capacity to provide the direct and equitable relief that the state and local governments need to continue to operate.

Attached for your consideration are some individual testimonies from local leaders from Maryland's 6th Congressional District, detailing the unique burdens that managing a responsible COVID-19 response has placed on their budgets. We thank you for your attention to this important request.

Sincerely,

David Trone

Member of Congress
